Team Acrostic

Get into teams and see who can get the highest score!

Try and think of as many words as you can to do with why Jesus is better than the best treasure - and try to fit them into the grid. If your word starts with the letter on the grid you will get a higher score than if your word just has that letter in it, but any words will do, as long as they are linked to the theme. Each word scores the number that its last letter lands on, with a bonus of 10 for starting with the correct letter.
