CHILD PROTECTION & SAFEGUARDING:

We are grateful for this offer of help. The safety and welfare of the children who attend Backpackers is paramount and therefore Churches Together for Chesham have requested that all adult helpers working directly with children undergo a Criminal Records Bureau (DBS) check.

As the parent/guardian of a young person we hope this reassures you about your child's safety. We do need to ask you to complete a Children's Act Declaration on behalf of your child

THE BACKPACKERS CHILDREN ACT DECLARATION (for YApps)

The following is strictly confidential and, except under compulsion of law, will be seen only by Backpackers Co-ordinators and, when appropriate, the Child Protection Officer of Backpackers. All forms will be kept securely under the terms of the Data Protection Act 1998. If you answer "Yes" to any question, please give details, on a separate sheet if necessary.

Because of the nature of the work for which you are applying, this position is exempt from the provision of section 4(ii) of the Rehabilitation of Offenders Act 1974 (Exemptions Order 1975) and you are therefore not entitled to withhold information about convictions which for other purposes are "spent" under the provisions of the Act.

1. Has your child ever been charged with or convicted of a criminal offence (including any "spent convictions"); or are they at present the subject of criminal investigations? (NB The disclosure of an offence may not prohibit their appointment.)

PLEASE PUT A CROSS IN THE APPROPRIATE BOX YES NO

If YES, please give details including the nature of the offence(s) and dates

2. To your knowledge has your child ever had any allegation made against him/her which has been reported to, and investigated by, Social Services and/or the Police?

PLEASE PUT A CROSS IN THE APPROPRIATE BOX YES NO

If YES, we will need to discuss this with you

3. Do you consider your child an appropriate person to work with younger children at Backpackers?

PLEASE PUT A CROSS IN THE APPROPRIATE BOX YES NO

Please read through the following policy with your son or daughter and help them to understand it. The training in the Yapps programme will reinforce this.

For everyone's protection Backpackers operates under The Diocese of Oxford's 'Safeguarding Handbook'. The full document will be available both before and during Backpackers week. It is also available and can be downloaded from the Diocesan website: www.oxford.anglican.org

Everyone who will be at Backpackers when the children are present should be familiar with the essential elements of Safeguarding as outlined at the Full Team Meeting and other training sessions. They must also have signed below to indicate they have read, understood, accept and will adhere to these Safeguarding principles which form the Safeguarding Policy for Backpackers.

BACKPACKERS' SAFEGUARDING POLICY

Those over 18 and working directly with the children (i.e. everyone on site during the 'working' day apart from those whose only role is in the Café) must have (or applied for) a CRB or DBS Enhanced Clearance for children's work.

The fundamental principles are:

- ❖ always remember you are the role model
- ❖ never be alone with a child or young person
- ❖ if there is a need to talk with just one child or young person for whatever reason, always remain in a public and accessible space with other adults around
- ❖ never enter the toilets – if it proves necessary because someone is ill, take another adult with you and keep the doors open so you are visible at all times, send someone for a First Aider if necessary
- ❖ always dress appropriately
- ❖ Should something about a child concern you, or if a child confides in you, during the week, you need to be aware of the following pointers.

General Points:

- ❖ Show acceptance of what the child says (however unlikely the story may sound)
- ❖ Keep calm
- ❖ Look at the child directly
- ❖ Be honest
- ❖ Even when a child has broken a rule, they are not to blame for the abuse
- ❖ Be aware that the child may have been threatened or bribed not to tell
- ❖ Never push for information. If the child decided not to tell you after all, then accept that and let them know you are always ready to listen

If a child does confide something you must:

- Tell the child you will need to let someone else know - **Don't promise confidentiality**
- NOT put words in their mouth
- LISTEN to them and write down exactly what you remember and not what you thought
- TELL an Organiser immediately or as soon as possible without endangering the other children

Helpful Things to Say/Show:

- ❖ "I believe you" (or showing acceptance of what the child says)
- ❖ "Thank you for telling me"
- ❖ "It's not your fault"
- ❖ "I will help you"

Don't Say:

- ❖ Why didn't you tell anyone before?
- ❖ I can't believe it!
- ❖ Are you sure this is true?
- ❖ Why? How? When? Who? Where?
- ❖ Never make false promises.
- ❖ Never make statements such as "I am shocked, don't tell anyone else".

Concluding:

- ❖ Again reassure the child that they were right to tell you and show acceptance.
- ❖ Let the child know what you are going to do next and that you will let them know what happens.
- ❖ Contact one of the Organisers as soon as is practical.
- ❖ Complete the appropriate forms that will be available in the Command Post.
- ❖ Consider your own feelings and seek Pastoral support if needed.
- ❖ In all other aspects treat the information as confidential.
